

## **Day registrations:**

Day registrations are being accepted and can be made by going to 'Register' at the bottom of the website 'Home' page or use this direct link

<https://conference.speleo2017.com/index.php/uis/speleo2017/user/account>

Day registrants will receive a congress bag, congress handbook and congress proceedings on USB memory stick.

To ensure you receive these items it is preferable that you register now as early as possible before the start of the Congress. Day registration can be accepted at the Congress however we cannot guarantee you will receive the items listed above.

Day registrants can attend program sessions and participate in all other activities, including the evening social program, for the day that they are registered. These include:

- Compete in the Prusik Challenge and Speleo Olympics.
- View the award-winning Sixteen Legs exhibit on the mating of the Tasmanian cave spider.
- Interact with the vendors and exhibitors.
- View cartography and art salons, scientific posters, photography competition.
- Nominate their Caver's Choice award preferences for the photo competition and scientific poster prize.

Cost of day registration is \$150.00. For enquiries contact our Registrations Manager, David, at: [registrations@speleo2017.com](mailto:registrations@speleo2017.com)
