Sponsors

Our sponsors are currently sending in their generous donations. After recent negotiations, we are now expecting two 100m reels of Tendon Ropes donated by Climbing Anchors of Coffs Harbour NSW, Australia. Please support all our sponsors by checking out their websites and using them for any club or personal gear purchases. Their names are listed on our Sponsors page of the website <https://www.speleo2017.com/Sponsor.html>.

Exhibitions

The Exhibition area will be in the huge permanent marquee behind the Events Centre. We are seeking more vendors to sell any caving related products and exhibitors to present the activities of their national speleological societies at the UIS Congress. This is your country's opportunity to showcase what is special about caving in your part of the world, so if you have not already organised a stall, please be in touch with your national body and offer to help make your stall great.
